Sir

I have the honor to state that the Banavar Municipal Council propose to entertain a whole time clerk on R20/- in their Municipality to look after the work of the Municipal Office and request sanction to the same

2 I enclose herein the vernacular correspondence ending with the Municipal President's No 42-29 dated 13th September 1929 on the subject for information and favour of orders of Government

3 The present scale of Establish ent of the unicipality sanctioned in G O No L 7149-51/L1 107-24-40 dated 7th April 1925 is only an octroi mutsaddi on R20/- and two peons with 7 sweepers and one scavenger, costing in all Rs 115/- per mensem The work of the Municipal Office is being looked after by the clerk of the Arsikere Municipality with an allowance of R5/- per mensem In view of the fact that the work of the Arsikere Municipality is increasing gradually and that one hand cannot satisfactorily atten to the work of two Municipalities the Municipal Council seem to think that a whole time clerk for their Municipality independe ntly is quite necessary and the President supports the proposal of the Municipal Council The normal receipts and expenditure of the Municipality calculated on the average of the past three years amount to R 3874/- and 3136/- resp ctively per annum

4 In these circumstances, I request you to be so good as to place the matter before Government and obtain their sanction

P T O

to the entertainment of a whole time clerk on R20/- per mensem in the Municipality as proposed by the Municipal Council at an early date

I have the honor to be,

S i r,

Your most obedient servant,

Deputy Commissioner,
